

**SatisFacts Research E-Letter Subscriber Survey:
The Economic Impact on Vacant and Unrented Apartments
February 2009**

Overview:

The purpose of this survey was to obtain feedback regarding the average length of time apartments are currently remaining vacant or unrented at properties or portfolios managed by property management professionals who subscribe to the SatisFacts monthly electronic newsletter.

On average, how many days are apartments remaining vacant and unrented at your property right now?	Percent
0 - 14 Days	17.39%
15 - 30 Days	26.09%
31 - 45 Days	13.04%
46 - 60 Days	21.74%
60+ Days	17.39%
